

## Brockville 50+ Activity Centre Winter Weather Policy

Our Activity Leaders have chosen one of two options to follow on days when inclement weather might affect regularly scheduled activities. Please familiarize yourself with the policy being used for those programs in which you are involved. This chart will also be available on our website.

It is up to Activity Centre members to regularly check for the winter weather notices on local radio, by calling 1-800-629-0629 or by going to [www.steo.ca](http://www.steo.ca) before heading out to an activity.

No notice will be sent out from the Activity Centre office regarding weather related cancellations.

No activity can proceed if a predesignated leader/instructor is not present.

Do not call the Wall St. United Church staff re anything pertaining to the Activity Centre.

Wall St. United Church reserves the right to remain closed if conditions on the premises pose a threat to our members.

For more details please refer to the full Activity Centre Winter Weather Policy on our website [www.fiftyplusbrockville.ca](http://www.fiftyplusbrockville.ca)
