

Please familiarize yourself with the 50+ Activity Center Winter Weather Policy described here.

It is the responsibility of the 50+ member to be aware of the weather policy for each of their activities. When appropriate listen for weather notices on the radio or check the school bus status at www.steo.ca.

Weather related notices will not be sent out from the AC office unless the Wall St. United Church decides to close it's doors. If the WSUC closes, the AC office will notify 50+ members as soon as possible via an email that all activities for the day are canceled at the WSUC.

If the buses are canceled but the WSUC doors are still open, the policies in the tables below apply.

Please do not call the Wall St. United Church regarding anything pertaining to the 50+ Activity Centre.

Note: an activity can NOT proceed if a predesignated leader/instructor is not present during the activity.
