

Wall Street United Church Covid Protocol Fall 2022

In addition to government requirements, all Brockville 50+ participants are required to adhere to the following guidelines specific to Covid-19 transmission prevention:

- Participants should not attend the facility if they are not feeling well.
- If experiencing any symptoms, Rapid testing is strongly suggested before attending any 50+ AC class at the church.
- If you test positive for Covid after attending a class, you must inform your 50+AC leader immediately. It is vital that any person who believes that they may have become ill due to a contact with someone at the church, that the church and 50+AC leadership are informed immediately. Failure to notify may result in an outbreak which can impact the whole facility.
- Participants shall allow for 2m social distancing when possible.
- Masks are no longer mandated but all are welcome to wear a mask for the safety and comfort of others.
- Participants are asked to use sanitizing gel before and after facility use and wash hands after using the washrooms.
- Participants are not to arrive more than 15 minutes before class. Please go directly to your class.
- The doors of the church are to remain locked at all times. It is the responsibility of each leader or designated group member to open the door for your group participants. Participants are to use this main entrance arriving and leaving the facility. Please avoid interacting with members of other groups and leave the facility immediately after your class ends.
- Food and beverages are allowed with the understanding that groups supply all needed items and that the area is tidy and clean after each use.
